C. SCOPE OF WORK:

Coal being vital input, ensuring uninterrupted supplies as per our quantity and quality requirements is the essence of the services to be rendered by you. The major points specifically to be complied are :

1. Release of Delivery Order (DO).
2. Coordination with WCL mines staff and WCL HQ for ensuring smooth and continuous supply of coal as per our requirement.
3. Arrangement of sufficient number of tippers/trucks and manpower (for supervision) to ensure regular and smooth dispatches of coal supplies from the colliery on regular basis as per our requirement.
4. You shall supervise the loading and ensure proper quantity and quality loading matching with grades declared by WCL/CIL and Coal free from Shale/Stone, Big size boulders and other foreign ingredients.
5. Unloading of coal at plant end.
6. You shall collect the Coal invoices and other documents from the WCL immediately and forward the same to our Plant on regular basis. Similarly, you will also take up with WCL for obtaining refund against amounts due to us for various reasons from time to time.
7. Apart from the services indicated above, any other services which also includes clearance of obstruction of transport route by any local villagers etc. if required shall be provided by you to ensure that the desired quality and quantity of Coal reaches to our Plant.
8. Ensuring supply of right quality coal from the respective colliery also forms part of your responsibility.

9. Ensuring uniform supply of coal as per asking rate. Excess supply during the last days of DO validity period to be avoided as plant will not be able to handle too many trucks in a day.
10. Safety during truck movement and unloading at plant to be ensured. Any accident-related compensation shall be to the account of the service provider.
11. Trucks should be GPS enabled. Remote tracking of trucks should be allowed to the customer.
